about us

Galeng Financial Consultants is a 100% black youth owned consulting company with an impressive track record of highly skilled and experienced professionals in areas of Finance, Accounting, Taxation and the Advisory thereof. The company has been trading since 2014. We see ourselves as your business partner thereby ensuring that we provide the financial information and tools to assist you in maximising the profitability of your business.

Business Partnership

We believe our clients should have peace of mind. We see ourselves as internal partners; getting involved and forming relationships with our clients.

Our Mission

To be the leading accountants and business advisers, with a reputation of quality services when dealing with our valued clients. Adhering strictly to applicable financial reporting standards and best practice.

our core

Vision

We aim to be the practice of choice in Finance, Accounting and Taxation. To achieve this, we aim to champion the needs of the market in the application of consistent financial reporting standards, promoting the value of sustainable business, which we believe best supports local business and meet the local regulation standards.

Values

Our values are inspired by The Southern Africa Institute of Business Administrators (SAIBA) and South African Institute of Tax Professionals (SAIT).

Our Market

We serve sole trader businesses, close corporations and limited companies. Our dedicated staff members will meet your needs and provide professional service regardless of the size of your business. We are aware that all businesses are different and each has distinct financial budgets.
Our fees are therefore customized and structured in a way that ensures affordability without compromise to quality.
